SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

On 15 Jan 2005, the attached SIDS was filed by fax in the USPTO, yet has not been recognized by the examiner in the recent office action dated 25 Jan 2005.

The PAIR system has recently been accessed, and that SIDS has not yet been entered therein.

Accordingly, under Patent Rule 8(b), the undersigned attorney provides this statement which attests that the attached seven-page copy of the SIDS dated 15 Jan 2005 is a true copy of the SIDS that I personally transmitted by fax to the USPTO at RightFax number 703-872-9306 on 15 Jan 2005, which was timely filed before the January 31st office action was mailed by the USPTO.

Attached hereinbelow is also a copy of the report from the Quick Link III Log Manager of the sending unit which confirms the fax transmission of the 7-page SIDS on 1/15/2000 as log entry No. 24.

CERTIFICATE OF MAILING (37 CFR 1.8a)

I hereby certify that this paper (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as first class mail in an envelope addressed to the: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

And, also attached is the "Auto-Reply Facsimile Transmission" received on 1/15/05 from the USPTO which confirms receipt of the 7-page SIDS dated 15 Jan 2005, and includes a copy of the first page of that transmission.

These facts clearly indicate that the SIDS was timely filed in the USPTO before mailing of the 1/31/05 office action; and Applicant therefore requests due consideration of that SIDS, and the references listed therein, including Japanese Ref.60-238619, designated as AL, for which a copy was attached to the SIDS.

In the event that the Patent Office fails to consider the originally filed SIDS, then the basis therefor should be communicated to the Applicant; and only in such event Applicant hereby requests that the attached SIDS be considered de novo under Rule 97(c) as having been filed in accordance with the date of this re-submittal, and the Patent Office is then authorized by this paper to charge the \$180 fee under Rule 17(p), or all applicable fees associated with the submittal of this Supplemental Information Disclosure Statement to Deposit Account No. 07-0865 of General Electric Company.

Respectfully submitted,
